Subject: Copies of IHS Transfer Agreements for the Polacca, Shungopavi and Sipaulovi Water Systems

One of the documents that USEPA does not have are copies of the IHS transfer agreements for a Hopi water system once it has been constructed. Attached is one for the Mishongnovi (Upper Sipaulovi/Upper Mishongnovi) water system that Pete Mitchell found a couple of years ago. Can IHS provide USEPA with copies of similar transfer agreements for the Polacca (First Mesa Consolidated Villages), Shungopavi and Sipaulovi water systems? These documents could help us identify the owner and/or operator of the water systems.

Thank you.
